INSTRUCTIONS FOR MULTIPLE BENEFICIARY DESIGNATIONS

- A. If a married woman is to be named as beneficiary, indicate her full given name (example: Mary R. Doe, not Mrs. John Doe).
- B. If two or more beneficiaries are designated, the proceeds will be distributed equally, unless shares are indicated differently by the insured.
- C. When a minor or mentally incompetent person is designated as beneficiary, it will be necessary for a legal guardian to be court appointed before the proceeds can be distributed.
- D. If no beneficiary is designated, or there is no living beneficiary at the time of the insured's death, the proceeds will become payable to the estate of the insured.
- E. Primary Beneficiary – the person to receive life proceeds, if living, at the time of the insured's death. Contingent Beneficiary – the person to receive life proceeds if no primary beneficiary is living at the time of the insured's death.

GENERAL NOTICE OF PRE-EXISTING CONDITION EXCLUSION APPLIES TO BLUECHOICE HEALTHPLAN MEDICAL BENEFITS ONLY

This plan may contain a pre-existing condition exclusion. This means that if you have a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the six-month period ending on the enrollment date, you might have to wait a certain period of time before that plan will provide coverage for that condition. This six-month period ends the earlier of the day before your coverage becomes effective (the effective date) or if you were in a waiting period for coverage, the day before the waiting period begins (the enrollment date). The pre-existing condition exclusion does not apply to pregnancy nor to a child who is enrolled in the plan within 31 days after birth, adoption, or placement for adoption.

This exclusion extends for not more than twelve months without medical care, treatment, or supplies ending after the effective date of coverage or twelve months after the enrollment date, whichever occurs first, or eighteen months after the enrollment date in the case of a late enrollee. However, you can reduce the length of this exclusion period by the number of days of your prior "creditable coverage." Most prior health coverage is creditable coverage and can be used to reduce the pre-existing condition exclusion if you have not experienced a break in coverage of at least 63 days. To reduce the 12-month (or 18-month) exclusion period by your creditable coverage, you should give us a copy of any certificates of creditable coverage you have. If you do not have a certificate, but you do have prior health coverage, we will help you obtain one from your prior plan or issuer. There are also other ways that you can show you have creditable coverage. Please contact us if you need help demonstrating creditable coverage.

All questions about the pre-existing condition exclusion and creditable coverage should be directed to:
